FOR THE LOVE OF SEWING

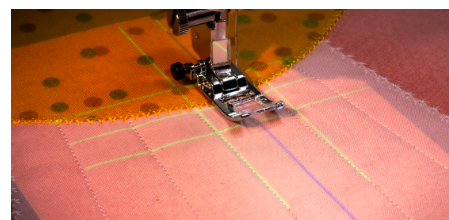

StitchSync Regulation

When free-motion quilting with the new Stitch Regulator attachment, the Radiance will automatically adjust the sewing speed based on how fast you move the fabric under the foot, giving you a consistent stitch length the entire time.

Largest Projection Area

Use the 8" x 5" (203mm x 127mm) projection area to see exactly where your embroidery designs & sewing stitches will land on your project, before you make a single stitch.

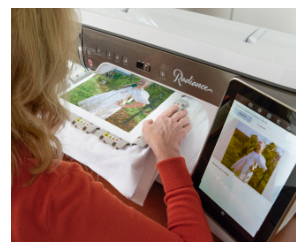

Projected Guidelines

Use the new guideline markers and grids to help you sew alongside any edge, stitch, or seam. Perfect stitch placement has never been easier.

Edge to Edge Quilting

Create beautiful edge-to-edge quilting projects using the 15 built-in patterns. Enter a few measurements, select a hoop, specify flip options, and the Radiance sets up your entire quilt, up to 118" x 118"!

Picture Play

Import your own picture and convert it to an embroidery design with just a few clicks. Choose from one of 12 artistic interpretations,

Color Theory - The Color Wheel and Beyond

with Helene Knott

Have you ever made a quilt from colors you love but found you didn't care for the finished quilt? Does seeing a wall of colored fabric choices leave you overwhelmed? If working with colors intimidates or leaves you dazed & confused, come join me for an in-depth exploration into the nature of Color Theory. How and why colors behave the way they do and what you can do to seize the reins and get those 'horses of a different color' under control.

Lake Oswego - March 21, 6pm - 8:30pm. \$10.
