Fine Sewing Furniture Crafted for You

## Sewing Cabinets Made to Fit Your Needs

Having the right sewing work surface is vital to your hobby. At Koala Studios, we design our sewing cabinets with your needs in mind. Koala Studios' sewing furniture is designed to be comfortable and functional and to provide you with a quality product at an exceptional value.

## Sleek Sewing Tables Made For You

Choose from a range of sturdy sewing and crafting furniture, available in white and grey oak finishes to complement your home. We offer a range of configurations from the space-saving Compact to the spacious Quilter's Vision, Eclipse, and Cutting Table to make your dream hobby room a reality—no matter your space constraints.

Our specialty is sewing furniture. Specifically, sewing furniture that offers optimal storage for sewing, created just for you. Shop our site or visit one of our authorized retailers to experience these cabinets in person and make the best decision for you, your hobby, and your home.

## Base Units

The best sewing spaces start with a high quality base unit built with storage and function in mind. Find the cabinet perfect for you by choosing a Koala Studio today.

### All-in-One Embroidery Studio

The ultimate space-saving embroidery table, this cabinet is ideal for top-of-the-line sewing and embroidery machines.

- Back leaf extension
- Rounded, finished edges and flush mount hinges prevent snagging
- Easy-roll lockable casters
- Thread storage closet
- Glide out embroidery module closet
- Three-position ergonomic footrest
- Electric lift

### Base Units

### Serger Studio

The perfect serger table for your machine and supplies, the Serger Studio provides optimal sewing storage.

- Serger cone thread storage
- Lift-up storage compartment
- Rounded, finished edges and flush mount hinges prevent snagging
- Easy-roll lockable casters
- Built-in trim bin holder

## Quilter's Vision

Optimize your creative workspace with the Koala Studios Quilter's Vision. With an expansive work surface for sewing, quilting, and more, plus an included companion chest, functional sewing storage can be your reality.

- Back, right, and front leaf extensions
- Included drawer
- Rounded, finished edges and flush mount hinges prevent snagging
- Easy-roll lockable casters
- Companion Chest fits under cabinet and features three spacious drawers
- Hydraulic lift

## Eclipse

Store your sewing machine, thread, notions, fabric, tools, and sew much more.

- Front, back, and right leaf extensions
- Rounded, finished edges and flush mount hinges prevent snagging
- Easy-roll, lockable casters
- Shelf and fabric bin storage area
- Included thread and accessory storage boxes
- Hydraulic lift

## Compact

Small space? This cabinet is your solution to functional storage in a small footprint.

- Left leaf extension
- Included thread and accessory storage boxes
- Easy-roll, lockable casters
- Hydraulic lift

## Companion Pieces

Optimize your sewing or crafting space with a companion piece from Koala Studios. Take advantage of extra storage and space to make your dream projects a reality, all while staying organized.

## Cutting Table

Improve your space with double-sided storage and an expansive work surface so you can work in a comfortable standing position for hours.

- Double-sided surface extensions
- Hidden storage shelves with cabinet door
- Six storage bins for fabric, patterns, accessories, and more
- Easy-roll, lockable casters

## Companion Chest

Add the Koala Studios Companion Chest to any cabinet and enjoy added storage for all your sewing and craft supplies.

- Three spacious drawers
- Easy-roll, lockable casters

## SewComfort Chair: Award Winning Comfort!

Complete your dream sewing studio with a complementary Koala SewComfort Chair. Six-way adjustments on this top-of-the-line sewing chair allow maximum comfort at any sewing desk or table.

Available in four fabric and five finish options, it's easy to complete the look and ultimate ergonomic comfort of your sewing room with the SewComfort Chair. This sewing chair can be personalized to your sewing experience with six-way adjustments for hours of sewing comfort at any height sewing desk or table. Easy-roll casters make it easy to move between sewing stations and creative projects.

### Fabric Options:

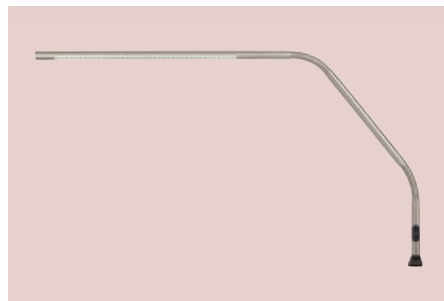

### Finish Options:

## Custom Cut Acrylic Machine Insert

Order an insert specifically cut to your sewing machine and cabinet model. Achieve a perfect, seamless sewing surface that allows for large projects like quilts and garments to rest flush against the top of your cabinet.

- Clear, heavy gauge acrylic
- Smooth surface for easy sewing
- Custom ordered

## Slimline 3™ Lamp

Ideal lighting for all types of sewing and quilting. This lamp provides wide, even light coverage, reduces eye strain and allows true color matching.

- Four-step brightness levels allow improved brightness control
- Brushed chrome finish

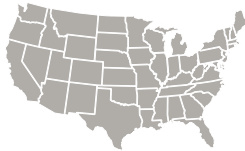

## Thread and Notions Storage Boxes

Ensure your thread and sewing notions are well-organized and easily accessible in these five storage boxes. This set includes three thread boxes and two notions bins. Each thread storage box is suitable for up to 50 spools of sewing thread or 30 mini spools of embroidery thread. The notions bins are ideal for all of your small accessories, including pins, needles, cutting tools, and more. The boxes are designed to be easily stackable for convenient storage.
