SEW COZY™

REWARD YOURSELF WITH A NEW LEVEL OF COMFORT & QUALITY!

Slouching or Perching

Backrest angle adjustment fine tunes the back support to your personal habits.

Intuitive Lumbar Support

Fingertip lever locks where you put it. No other chair adjusts 6".

Perfect Height

Standard (16.75" - 21.25") seat heights available to accommodate any machine at a standard cabinet height.

PressureCast™ Cushions

Using a special formulation and cast under high pressure, PressureCast foam is incredibly resilient for comfort, yet high-density for longevity.

Complete Back Support

Thoracic and sacral cradles merge into a lumbar crest for optimal posture and comfort.

Perfect Posture

Independently adjustable seat and backrest angles help achieve your perfect working posture.

Better Mobility

Oversized, 60mm, casters roll easily through plush carpet. Riveted for life-long durability.
