FOR THE LOVE OF SEWING

Presenting the Spirit

Capture the essence of your inspiration with the Baby Lock Spirit. This modern, embroidery focused machine has numerous features powered by Baby Lock IQ Technology™. IQ Technology™ is what makes Baby Lock machines so smart and efficient. You tell the Baby Lock Spirit what you want to accomplish and IQ Technology™ works with the “brain” of the machine to achieve your desired results. Look for the IQ icon next to descriptions of these easy-to-use features.

Many other features on the Spirit enhance your embroidery experience such as the large 7" x 12" hoop. This hoop will fit large designs and multiples, making the Spirit perfect for your most ambitious embroidery projects.

For the love of sewing.

Key Embroidery Features

Enhanced Stadium Lighting

Your embroidery is illuminated 10 inches around the needle, so you'll clearly see every detail of your finished design. Plus, you won't have to worry about changing bulbs with these long-lasting, bright LED lights.

Quick-Set, Top-Loading Bobbin

The top-loading bobbin is jam-proof. The quick-set bobbin puts the thread right where you need it.

Key Embroidery Features

Color LCD Touch Screen

The large, color LCD vividly displays embroidery designs, and makes it easy to change your machine settings. This screen measures 7" diagonally and shows up to 260,000 colors so you will know what your designs really look like before you sew.

USB Connectivity

The Spirit comes with 2 USB drives to enhance your embroidery experience. Import designs from your own collection by connecting your computer or a USB flash drive to the Spirit.

Needle Beam for Embroidery

The Needle Beam highlights the exact needle position on the fabric to ensure perfect design placement.

Sensor Pen for Embroidery

Use the Sensor Pen to assign the design positioning and placement. Simply touch the fabric with the Sensor Pen and the Spirit knows where to place the design.

NeverMiss™ Automatic Needle Threader

The NeverMiss™ Automatic Needle Threader does exactly what it promises. It's never been this fast or easy—the Spirit threads your needle with little more than the push of a button.

Push Buttons and Large Workspace

Convenient push-button features give you more freedom to focus on your embroidery. Raise and lower the needle or presser foot, cut threads, and thread your needle with the push of a button. Pair this with a large workspace (11.25" to the right of the needle) to accommodate bigger hoops, and you're ready for easy embroidery of all sizes.
