Beginning Quilting 2

Explore Strip Quilting, Half Square Triangles and Mitered Borders. Jayne will provide fabric on day one for you to practice these skills and review basic skills from Beginning Quilting 1.

Project: Come with whatever quilt project you would like to work on or choose to make a "Picnic Checkerboard Quilt" that uses strip quilting and mitered borders.

Skill Level: Builds on techniques addressed in the Beginning Quilting: 4-Patch class. Confident beginner, familiar with their sewing machine.

DAY 1: Come ready to cut or pre-cut and ready to start sewing.
Homework: Finish blocks at home add sashing and/or borders if desired.

DAY 2: At session two come to class with your blocks assembled and complete your quilt project. Review the process of assembling quilt layers, machine quilting and adding binding.
