

# Beginning Quilting 101

By Jackie Martin

Let's start at the very beginning! If you have wanted to learn how to quilt but didn't know where to start, this class is for you. WAIT!!! If you need to refresh your skills and learn more then this class is also for you.

This class covers a variety of quilting tools and supplies, needle types, threads, batting, piecing and the best way to pressing techniques and how to line your seams up. We will also learn easy ways to pick color choices and change a design. This class is packed with tips, techniques and piecing skills and will help any quilter increase their confidence in the art of quilting.

You will be completing a sampler block table runner or a lap quilt top using the skills, tips and techniques as you learn them in class. Including how to quilt it? Class size is limited so sign up early.
