

Finish It!

Supply list (1 page)

Instructor: Helene Knott 503-888-9784 Email: helene.m.knott@gmail.com

Website: www.heleneknott.com

This is an 'Open Sew' class dedicated to helping students with an unfinished quilt or other sewing project get back on track and finish it. Attending students will bring their unfinished projects along with the materials and tools needed to work on them, and the instructor will help them complete it, or at least get back on track. Any projects started in one of Helene's classes are welcome, though students may bring projects from other instructors as long as they still have the instructions or pattern from the original class. Depending on the stage of completion, some projects may not be completed in class; the goal is to inspire students' enthusiasm and focus to complete their projects and overcome any difficulties they may have encountered. Please contact the instructor for further consultation if you are unsure about supplies you will need for your project, or if you no longer have your original instructional material.

Please be courteous to others by arriving for class with the correct supplies. Contact me at 503-888-9784 or helene.m.knott@gmail.com if you have any questions.

A Note to Students: Many students do not realize that once the teacher is paid, the shop offering a class makes little if any income on the class itself. The shop is relying on product sales to continue offering quality classes to you. Therefore, I urge you to patronize this shop when buying your supplies for this class as much as possible and remind you that big chain stores do not offer the variety of classes that the smaller shops do. Keep quilt classes alive by supporting this shop.

Thank you, Helene

Tools & Materials:

- **Your unfinished project:** Bring a quilt or other sewing project you wish to work on under the teacher's guidance.
- **Pattern, book, or handout from the original class**
- **Other necessary supplies:** These will vary depending on the original class but in general include extra fabric, any specialty tools or materials, and general sewing equipment and accessories: sewing machine, thread scissors/cutters, pins, seam ripper, etc.
