Last Minute Holiday Sweatshop:

The clock is ticking and the holidays will be here before you know it. This is the 11th hour and your last chance to finish the gifts you have been working on. It can be hard to focus on these nose-to-the-grindstone projects at home with the distractions all around you. If you need that extra push to have something ready for the holidays, here is your opportunity to get it done. Perhaps it's quilting a project or adding binding to a quilt. Maybe it's finishing a set of holiday place mats or table runners, or creating fabric wine bags or gift bags. Whatever it is, I can help you get it done!

Even if you don't have a Holiday UFO hovering over your head, but would like to come and spend an afternoon making some quick and easy holiday felt ornaments, candy bar stockings, pot holders as hostess gifts, or some fabric gift bags. I will have fabric, felt, and embellishment supplies you need to make your holiday merry and bright. All you need to bring are your sewing machine, basic sewing tools (pins, seam ripper, etc.), thread in holiday colors, and rudimentary cutting tools (scissors, rotary cutter, ruler, and a mat).

Please be courteous to others by arriving for class with the correct supplies. Contact me at 503 888-9784 or helene.m.knott@gmail.com if you have any questions.

A Note to Students: Many students do not realize that once the teacher is paid, the shop offering a class makes little if any income on the class itself. The shop is relying on product sales to continue offering quality classes to you. Therefore, I urge you to patronize this shop when buying your supplies for this class as much as possible and remind you that big chain stores do not offer the variety of classes that the smaller shops do. Keep quilt classes alive by supporting this shop.

Thank you, Helene

SUPPLIES:

- **UFO Project:** If you are attending to finish some holiday gift projects, bring the project and materials required to finish it. If it was from a book, magazine, or pattern; bring that as well. If you have lost the original pattern source, I might be able to help you figure out how to complete it but cannot guarantee that.
- **Sewing Machine:** If you are planning to finish quilting a project, make sure you have the appropriate machine accessories – free-motion presser for, walking foot, suitable quilting thread, safety pins, etc. For the Holiday felt ornaments or gift/treat bags, a machine with a standard piecing foot and wide embroidery foot will be good.
- **Decorative or sewing thread:** in colors of your choice.
