

Title: Let it Snow Table Toppers

Teacher: Elaine Knippers

Date: November 20, 2024

Time: 10:00 am to 1:00 pm

Class Description: As winter nears this charming table topper of cozy mittens, a winter snowman, and a pair of figure skates are appliquéd on the fun winter background of a fabric of your choice. What a fun display of the frosty side of winter to add to your collection.

Supply List:

You will need the following:

The Let it Snow Pattern by Janine Babich Designs. These will be for sale in the Lake Oswego Store for your purchase.

1/3 yard of fabric for your background and backing.

An assortment of fabrics for the mittens, snowman, and ice skates

1/4 yard fusible fleece or regular batting. I use batting and it works well.

Shape flex 101 or fusible woven by OESD for the backs of lighter colored fabrics

Medium weight tear-away or Power Mesh for your stabilizer

12 inches of 1/2 or 5/8 inch wide ribbon

For an additional sparkle you can fit fix crystals of it

Bring your usual embroidery supplies and a 6 x 10 inch hoop or larger.

Please support your local Montavilla Store for purchasing your supplies for class. You will get a class discount so be sure and let them know it is for class.
