Purchase apron pattern @ Montavilla Sewing Centers. (15% class discount)

Make as pattern recommends or choose to make desired adjustments.

Supply List Adjustments could include one or more of the following:

- Piece upcycled materials for main fabric (jeans, scrap fabric, men's buttondown shirt, etc.)
- Use upcycled materials for pocket fabric (leather, vinyl, jean pocket, upholstery fabric, men's tie, etc.).
- Use Bias Tape instead of the facing pattern piece.
- Replace sewn straps with strapping, belts, mens ties, etc.
- Convert neck strap into a crisscross back strap.
- Instead of two "D-rings" substitute other type of closure/adjuster: Strap Adjuster, Side Release Buckle, Swivel Hook & Triangle Ring or upcycled bag or belt hardware).

CHILD APRON: 4 sizes. Apron with lower pocket, back waist ties and adjustable neck strap.
