### Planning Guide: Block of the Month Club Series 1 Sampler

*Use this guide to plan out a sampler quilt using all 12 blocks in the club.*

## Fabrics...

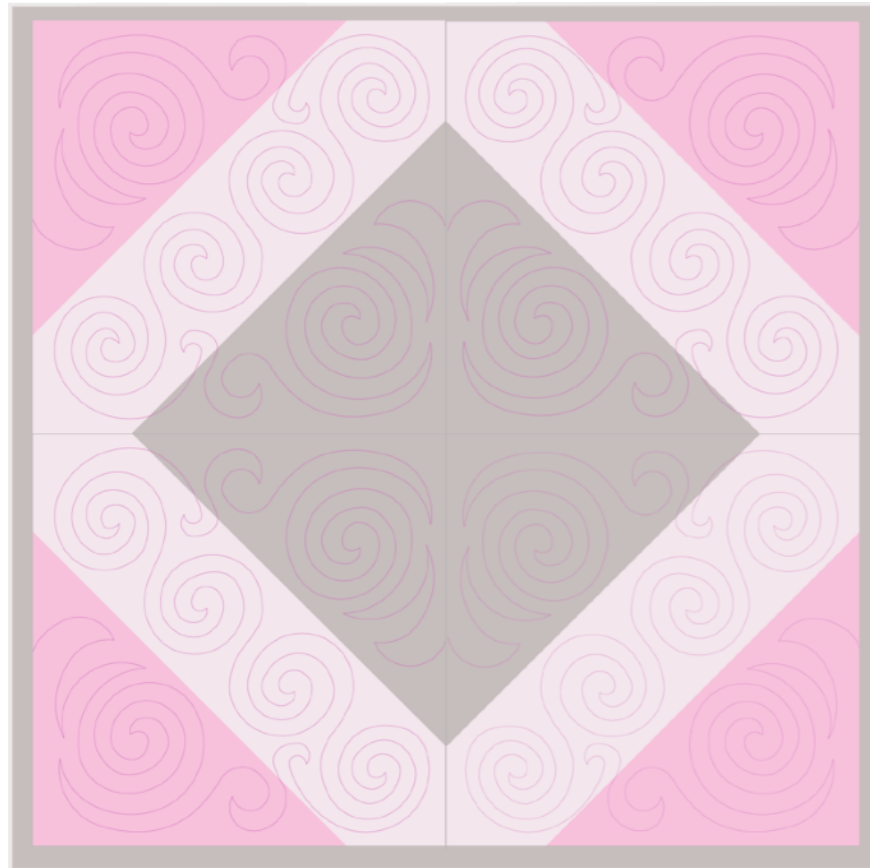

You'll need the following yardage to make a sampler quilt with all 12 blocks in the club. If you choose not to make a sampler, simply refer to the instructions each month for fabric requirements.

- Fabric 1: 1/2 yard
- Fabric 2: 1/2 yard
- Fabric 3: 1/4 yard
- Fabric 4: 2 yards
- Fabric 5: 1/3 yard
- Fabric 6: 1/3 yard
- Fabric 7: 1/2 yard

## Read these notes before you begin...

- Each month's mystery block instructions include some or all of the following fabric colors in the cutting charts.
- **This is important if you are making a sampler quilt:** if you are using different colors than the ones shown below, note your colors below before you begin cutting.
- We also recommend labeling each fabric yardage cut with Fabric 1, Fabric 2, etc., to keep track.
- To make it easier to know which fabrics to use for each month's block, when you are making a sampler quilt, the individual month's cutting charts refer to the Fabric Numbers. **Some months may have Fabric 1, 2, 3, while others will have, for instance, Fabric 3, Fabric 5, etc.**

Fabric 1	Fabric 2	Fabric 3	Fabric 4	Fabric 5	Fabric 6	Fabric 7
