

Edge-to-Edge Quilting Supply List (Embroidery Machine)

Embroidery Machine

With a hoop size large enough to accommodate your chosen quilting design (minimum 5"x7", ideally larger)

Embroidery Hoop(s) in two sizes one larger and one size smaller.

Example 9 x 14 and 8 x 12

Magnetic hoop for your largest hoop is suggested but not required. Preferably magnetic or snap hoops for easier repositioning' * Make sure to bring plastic inserts for our hoops.

Edge-to-Edge Quilting Design File

Purchase this from [Designs by JuJu](#)

Please bring your entire design file to class on a flash drive.

Stabilizer

Heavy weight Tear-away

Please bring fabric pieces pre cut to class
